

# Utsunomiya University

(Tochigi Prefecture)

You can utilize the various facilities attached to this university and take specialized training about the practical problems in school education and lifelong learning.

## ◇ University overview

### ○ Characteristics and history

Utsunomiya University has five Schools (Regional Deign, Cooperative Faculty Of Education, International Studies, Engineering and Agriculture). Also we have graduate schools, Graduate School of Regional Development and Creativity (Master's course and Doctoral course), Graduate School of Education (Professional Degree Course). The Cooperative Faculty Of Education and Graduate School of Education aim to train schoolteachers and leaders of practical studies in education. The Graduate School has been constantly developing its systems and programs of research and education for in-service teacher training and accepts about 70 local in-service teachers as graduate or research students each year. It started accepting teachers from overseas as trainees in 1995 and a total of 70 took in-service training at the school. Located about 100 km north of Tokyo, Utsunomiya City is capital of Tochigi with a population of 510,000. The city is surrounded by natural beauty, with the River of Kinu in the east, the Nasu Mountain Range to the north, and Nikko, a world-famous sightseeing resort, to the west. It also has been rapidly developing as a "technopolis," a center of integrated high technology for industries and businesses.
