

Honjo International Scholarship Foundation
Guideline of Application for the Foreign Students' Scholarship
(Application Period : September 1 ~ October 31, 2023)

Outline of Scholarship

1. This scholarship is open to foreign students who will attend or have already attended a graduate school at a Japanese university.
2. The scholarship money will be provided from the start of graduate school in **April 2024**.
3. The scholarship recipient is under no obligation to repay the amount they receive from our Foundation.
4. The period of the scholarship for the recipient is set in accordance with the shortest period of time required to complete the intended degree.
 - 4-1. ¥210,000 per month for 1 year or 2 years
 - 4-2. ¥190,000 per month for 3 years
 - 4-3. ¥160,000 per month for 4 years or 5 years
 - * The payment period cannot be changed once it commences.
 - * Those whose enrollment period is shorter than one year are not eligible to apply.
5. The travel grant to cover the expenses of attending an international conference will be provided to scholarship recipients based on our scholarship provision rules.
6. The scholarship recipient is not permitted to receive any other scholarship in conjunction with the scholarship offered by our Foundation.
7. The scholarship recipient cannot gain employment other than part-time jobs related to their studies, such as teaching assistant, research assistant, or international exchange affairs, such as translators or interpreters while receiving our scholarship.
8. The scholarship recipient is required to participate in the individual interview and the events that the Foundation organizes.
9. The scholarship recipient is required to actively participate in Foundation events after completing graduate school.

Number of Scholarships Available

Approximately five (5) students

Requirements

(To be eligible for applying for the scholarship, the student must satisfy ALL of the requirement criteria shown below.)

1. The student who does not possess Japanese citizenship.
2. The student must be enrolled as of April 2024 or currently applying for the academic course starting from April 2024 at a graduate school in Japan. Those who are already enrolled and those who are not enrolled yet (including people who are currently employed with jobs at the time of applying for the program) are both eligible to apply for this scholarship if they are going to be enrolled in April 2024. Those who are going to enter graduate schools in the fall of 2024 should apply for the 2024 fall scholarship program, which starts accepting applications from April 1 to April 30, 2024 (scheduled).
3. In principle, the student enrolling in a professional graduate school is not eligible to apply. However, the student who can submit a research plan is eligible to apply.
4. The enrolment duration until graduation must be longer than 12 months.
5. To be eligible, the student applying for the PhD program must start the PhD course by the age of 35. The student applying for the master's program must start the master's course by the age of 30 (No exception).
6. The student must have a strong will to serve in their home country as a future career plan.
7. The student must have a deep understanding of international friendship and goodwill and attend the events organized by the Foundation and take part in the network as an alumni member.
8. The student must be able to carry a basic conversation in Japanese. Interviews will be conducted in Japanese (No exception).

Application Period

From September 1, 2023 to October 31, 2023. (the "Online application system" operating period)

How to Apply

1. Enter the "Online application system" and then complete all the necessary information. Upload the required digital files and documents as followings.
"Online application system" → <https://entry.hisf.or.jp> (This system is available starting from September 1, 2023)
2. When you have completed the application procedure, an application number will be issued.
The application numbers of the successful students will be announced on our website, so please make sure to save the number you received.

Digital files required to be uploaded are as follows:

- A. A face photo
 - 1) The maximum size is 500kB
 - 2) the file extension should be .jpg or .gif
- B. A two-minute-movie which an applicant talks about your research plan

- 1) The maximum size is 1GB.
- 2) The length is up to 2 minutes.
- 3) The file extension should be .mp4 or .mov
- 4) The language of the talk should be Japanese or English.
- 5) Presentation materials may be used in the video. However, the applicant's face must be visible.

Documents required to be uploaded are as follows:

A. Academic transcript (In Japanese or English; please attach a translation in case of other languages.)

A-1. Academic transcript of the undergraduate course (Required)

If you transferred into the university from the College of Technology (kōsen school system), the transcript from that school is also required.

A-2. Academic transcript of the graduate school (If you do not have the transcript, you do not need to submit it.)

B. Research Proposal: Use the designated template and write in Japanese.

The template of the MS Word file is available on our website.

What we want applicants to describe:

B-1. What you are going to research

B-2. What and how you are going to contribute to your home country based on what you will learn or study in Japan

B-3. What you already achieved regarding research, academic, and social activity.

Please write the above three points in Japanese to fit on the designated form.

However, if you are not confident in your Japanese, you may submit a research plan in English in addition to the Japanese one.

C. Recommendation letter from your supervisor: Please obtain a recommendation letter describing your academic performance, personal characteristics evaluation, future potential, etc. You can also obtain a recommendation letter from your previous supervisor in your country if the recommender is familiar with your academic background.

* The number of sheets and formats is not designated.

* The recommender may send the recommendation letter directly to the Foundation without sending it to the applicant. The letter must be sent from the recommender's email account to info@hisf.or.jp no later than the application deadline (October 31, 2023). The file name should include the applicant's name and the application number assigned to the applicant.

* Upon receipt of the recommendation letter from the recommender, upload it to the online application system. The recommender's signature or seal is necessary for the recommendation letter.

D. Documents that prove admission, such as an admission letter, a letter of acceptance, etc. Please upload the certificate of enrollment only if the student is already enrolled in graduate school.

* If the admission or acceptance letter is unavailable by October 31, 2023, please enter the probable date on the “Online application system” and then send it to the Foundation office via email as soon as it is available. Note that after November 1, 2023, you cannot log into the Online application system.

* Even if the envelopes are directed as “Confidential” or “Invalid if opened,” open all the envelopes and upload the documents as PDF files to the “Online application system.”

* Photocopied documents can also be used and uploaded.

Miscellaneous notes on entry

1. Application documents cannot be accepted via mailing.
2. The data you input in the “Online application system” can be rewritten or replaced at any time until October 31, 2023. The latest data is automatically overwritten.
3. The application documents will not be returned to the applicants.
4. Regarding the personal information in the application documents, they will not be used for any other purposes than for the scholarship selection process.

However, please be confirmed that limited personal information will be provided for the following specific reasons.

4-1. The application documents can be submitted to the selection committee members for document screening and selection process.

4-2. The personal information can be used during the selection process to confirm the application’s contents and to ascertain whether the scholarship overlaps with the university staff and other scholarship organizations.

Selection Process

1. First selection (Screening of documents): The result of the first selection will be announced by January 31, 2024. The application numbers of those who passed the first round will be posted on our Website.

2. Second selection (Interview): Conducted in early February 2024 in Tokyo or by video call.

*The detailed schedule for the interview will be informed directly to those who pass the first selection process.

3. Final result of scholarship award: March 31, 2024.

About Scholarship Payment

1. In the following cases, scholarship payments can be stopped. By its decision, the Board of Directors may require the scholarship recipient to return any scholarship funds already paid.

- 1-1. When it is challenging to continue schooling or research due to illness or other reasons.
- 1-2. When the supervisor recognizes that the recipient is ineligible to continue studying or conducting the research.
- 1-3. In case of academic achievement failure or worst behavior discovered.
- 1-4. When false statements are found in the applications or other submitted documents.
- 1-5. When any behavior deemed to bring the scholarship recipient into disrepute as a scholarship recipient of the Foundation is found.
